Changes in "Model Aviation"

In an effort to help members locate flying events in their area quickly or check on events across the nation, the Academy has revamped the online contest calendar. Now members can go to www.modelaircraft.org/events/calendar.aspx and search for their favorite annual fly-in or discover an even that is being offered for the first time. The new service will begin on February 15 and will replace MA's printed calendar starting with the July issue.

OLD BUSINESS:

The Royal Ranger Boys Club Kite event went over well, Marty Mankinen demonstrated flight simulator software and Razor Hobbies donated a prize.

April Event: The coming April Flea Market & Fly in was discussed. The fliers need to get out to the hobby shops in the area. We need to arrange for a generator for the event. Allen will get with Wayne about the hamburger grill.

Field Maint.

The field has been sprayed for clover and unwanted grass, at this time the results are poor. Murff's son told Allen about a more effective herbicide and sold us a gallon.
